TO WHOMSOEVER IT MAY CONCERN

At Vasavadatta Cement, the AC Drives of Yaskawa make have been Installed and commissioned since 1997 and subsequently during further Expansion of the Plant, Yaskawa Drives were Installed and Commissioned. At Present the total Installed base of Yaskawa Make Drives are around 350 Nos. Various Ratings of G5 Slim Inverters and Converters, F7 and A1000 Inverters have been installed for various Cement Process and Power Plant Applications, like Kiln Main Drive, Boiler Feed Pumps, ID and FD Fans, Etc.

We Appreciate the Quality and Performance of all the Yaskawa Drives installed in our works for the Trouble free operations.

We look forward from Yaskawa to continue to supply such Quality products and Support in Future also.
