## **TO WHOMSOEVER IT MAY CONCERN**

At Veerabadra Exports, Kakinada the AC drives of YASKAWA make have been installed and commissioned at 2014 of ratings such as 160kW 2 no's, 132kW 2no's and 45kW 1 no of A1000 model for Ammonia Compressor application- Cold storage. Energy saving is being achieved for Ammonia compressors by optimised control of YASKAWA AC drives based on the process closed loop of pressure demand.

We appreciate the Quality and performance of YASKAWA drives installed in our factory for the trouble free operations.
